Study the Bible in 2010

Our journey through God's Word will take exactly one year.

The Bible is God's Word to us and there are positive and negative role models we learn from. With the Bible we determine righteousness from wickedness. God's Word helps us to see the sin inside us, get rid of it, and change. It gives us the guidance in life, makes us wise and strong in spirit, and provide us with practical advice in areas such as: How can we handle the unfair circumstances and bad events of life victoriously? How can we be good friends? How can we have successful marriage? What is a blessing and how do we reach it?

Never read the Bible trying to prove your own thoughts. Pray first before opening God's word, ask for guidance and ability to accept His will and apply it to your life.
