## Bible School Camp

Slavic Bible School Camp is the crown of the work of Bible School throughout the whole year. This is the place where campers are placed into small groups, each one with their own leaders. Together they are like little families where no one is forgotten. Recreation, games, services, powerful prayers and late-night talks around a campfire are just a little bit of what camp is all about.

At the center of Bible School Camp lies real joy in the Holy Spirit, prayer and God's presence. Young people gain unforgettable lessons taught by anointed teachers, pastors, and counselors, while forming lasting memories and new friendships. We dedicate this camp to the work of the Holy Spirit. The camp program has been created specifically for teenagers (High School Students, 14-17 year old).

This is the place where participation of campers in services, activities and any other support is highly encouraged. Every camper is encouraged to help with administration, become a cell leader, staff, usher, join the worship team, preach etc.

As Christians, following the example set by our Lord Jesus Christ, we believe in power of prayers. We pray that Bible School Camp would meet the spiritual and moral needs of our campers. Our goal is to create a place where young people can allow God to restore and uplift their faith. Though much planning is poured into the organization of this camp, we know that without God our efforts would be in vain. "Unless the Lord builds the house, the builders labor in vain. Unless the Lord watches over the city, the guards stand watch in vain" (Psalm 127:1). Keep this Camp in your prayers.
